Claim Notes

Claim number:	C-1004
Claimant:	Jared West
Adjuster:	Christopher Wong

2-23-24 - Claim opened for a left-turn collision at an intersection. Insured vehicle reports being struck by oncoming vehicle while turning left across the opposing lane. Claimant reports a wrist fracture and has been transported to hospital by ambulance. No attorney involved at this time. Initial liability appears disputed pending scene review.

3-1-24 - Spoke with claimant by phone. Claimant states the other vehicle was approaching quickly and the insured had already started the turn. Claimant confiremd wrist fracture, currently in a cast, and is not represented by counsel. Advised claimant of the claims process and requested medical authorization forms.

3-4-24 - Obtained police report from the responding agency. Report notes both drivers gave conflicting accounts of signal phase. Two independent witnesses identified so far; statements requested. Photos of both vehicles rceeived from the body shop and stored in the file.

3-5-24 - Reviewed intersection traffic camera footage available from the city. Footage is partial and does not clearly show the signal state at the moment of impact. Preliminary assessment leans toward shared fault. Reserved rights and notified supervisor for review of liability split.

3-12-24 - Claimant called to check status and asked about rental coverage and medical payments. Explained available benefits and sent written summary by mail. Claimant still unrepresented and has not signed a release. Scheduled follow-up after orthopedic evaluation is received.

Recorded Statement

Claim number:	C-1004
Statement of:	Jared West
Taken by:	Christopher Wong
Date:	2-28-24

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my name on a recording, if that's all right. You can reference the claim file.

Q: That's fine. Can you tell me where the accident happened?

A: It was at an intersection in League City, Texas. I was turning left onto a side street.

Q: What were you driving at the time?

A: My sedan. It was about a year old.

Q: Walk me through what happened as you began your turn.

A: I had the green light. I waited for a gap in the oncoming traffic, then started the turn. I saw a pickup coming toward me, but it looked like it would stop. It didn't.

Q: Did you have a chance to brake or swerve?

A: Not really. I hit the brake, but the impact came almsot right away. My hands were on the wheel and my left wrist took most of the force when the airbag deployed.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: Did you feel any pain or injury right after?

A: My wrist hurt immediately. I couldn't move my fingers well. The paramedics took me to the hospital, and they said it was fractured.

Q: Has the doctor given you a treatment plan?

A: Yes, a cast for now, and I have a follow-up with an orthopedic specialist. I may need surgery depending on how it heals.

Q: Is there anything else you'd like to add to your statement?

A: Only that I was driving carefully and I believe the other driver should have yielded. That's all I have.

Q: Thank you. This concludes the statement.
