Statement of:	Chelsea Kelly

Date:	15 Apr 2025

Q: Thank you for taking the time to speak with me today. This recorded statement concerns the collision you were involved in while making a left turn in League City, Texas. Do you understand that this call is being recorded?

A: Yes, I understand.

Q: Please state your full name and the address where you currently receive mail.

A: I'd rather keep my personal details to the file number. I can confirm I'm the driver of the vehicle involved.

Q: That's fine. Can you walk me through what happened at the intersection?

A: I was heading east and wanted to turn left into the shopping center driveway. I checked for oncoming traffic, saw a gap, and started my turn. The other car came through from the opposite direction a lot faster than I expected, and we collided on the driver's side of my vehicle.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: Did you feel any injury at the scene?

A: Not right away. I felt stiff, but I figured it was just the jolt. By that evening my lower back was sore and hard to move, and it's gotten worse over the last few days.

Q: Have you seen a medical provider for the back pain?

A: Yes, I went to urgent care the next morning. They diagnosed a lumbar srtain and gave me muscle relaxers and a refreral for physical therapy. I'm scheduled to start therapy next week.

Q: Is there anything else you'd like to add about the collision or your injuries?

A: Only that I've been careful to follow the doctor's instructions. I'd like the claim to reflect that I was not distracted and was trying to yield properly before the turn.

Q: Thank you. That concludes the statement.
