Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not use my name on the recording, if that's okay. I'm the driver of the vehicle involved.

Q: That's fine. Can you describe where the collision occurred?

A: It was at an inetrsection in Katy, Texas. I was going through on a green light, heading straight.

Q: What happened next?

A: A car came from my right side and ran the red light. They hit the passenger side of my car pretty hard.

Q: Were you able to avoid the impact at all?

A: No. I saw them coming at the last second and tried to brake, but there wasn't time.

Q: Was anyone else in your vehicle?

A: No, I was alone.

Q: How fast were you traveling when you entered the intersection?

A: Maybe around the speed limit, I'd guess. I wasn't speeding.

Q: Did your airbags deploy?

A: Side curtain airbags came out. My head hit the window and then my neck snapped back and forward.

Q: Have you sought medical treatment since the accident?

A: Yes, I went to urgent care the same day. They diagnosed a neck strain and told me to take it easy.

Q: Are you experiencing any symptoms right now?

A: Yes, my neck is stiff and sore, especially when I turn my head. I also get hedaaches in the afternoon.

Q: Have you missed any work because of your injuries?

A: I've missed a couple of days so far. I'm following up with my doctor and doing physical therapy.

Q: Is there anything else you think I should know about the collision?

A: Only that I've got photos of both cars and the intersection, and I can send them to you.

Q: Thank you. We'll follow up with those photos and your medical records. This concludes the statement.
