A: Maybe thirty-five miles per hour, the posted limit. I had just started to accelerate after the light changed.

A: Yes, I was.

Q: Did airbags deploy in your vehicle?

A: The side airbag went off, yes.

A: My right shoulder hurt immediately. I felt a sharp pain and I couldn't lift my arm well. My neck was sore too, but the shoulder is the main problem.

Q: Have you souhgt medical treatment since the accident?

A: Yes, I went to an urgent care center that evening and I've been seeing a physical therapist twice a week since then.
