Statement of:	Mckenzie Hunter
Taken by:	Jerry Hanson
Date:	06/06/2023

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my full name on a recording, but you can use the claim number.

Q: That's fine. Can you describe where you were when the collision happened?

A: I was driving on the main road in Pearland, heading toward the shopping center. It was raining a little.

Q: What happened right before impact?

A: A car came over into my lane. I braked and turned the wheel, but we still hit head-on. It wasn't a hard hit, but it was enough to jolt me.

Q: How fast were you traveling?

A: Maybe twenty-five miles an hour, maybe less. Traffic was slow.

Q: Did your airbags deploy?

A: No, they didn't. The seatbelt locked and I hit my head on the side window.

Q: Did you seek medical attention after the accident?

A: Yes, I went to urgent care that evening. They said I have a concussion and told me to rest.

Q: What symptoms are you still experiencing?

A: Headaches mostly, and I get dizzy if I look at screens too long. I'm also more tired than usual and I've had trouble concentrating at work.

Q: Have you missed any work because of the injury?

A: I've taken a few days off and I'm working shortened hours now. My doctor has me on light duty.

Q: Do you have any prior head injuries or conditions that affect your memory or concentration?

A: No, nothing I can recall.

Q: Is there anything else you'd like to add to your statement?

A: Only that I'm hoping to get my car repaired soon. I still need it for getting to my medical appointments.

Q: Thank you. This concludes the statement.

A: Thanks.
