Claim Notes

Claim number:	C-1027
Claimant:	Marcus Williams
Adjuster:	Alison Sweeney

December 17, 2024 - Claim opened for side impact collision at intersection. Insured reports other vehicle entered intersection against signal and struck driver's side door. Police report requested. Claimant identified and listed as represented by counsel; all contact to be routed through attorney's office.

December 20, 2024 - Received police report. Responding officer notes both parties gave conflicting accounts of signal phase. Independent witness statement obtained and indicates claimant vehicle had green light. Liability position under review, leaning toward other driver at fault pending photo evidence from scene.

December 24, 2024 - Attorney's office sent notice of representation and letter of claimed injury. Claimant reports neck pain and stiffness consistent with whiplash, with headaches and reduced range of motion. Medical recrods requested with signed authorization. Vehicle damage appraisal scheduled and rental coverage confirmed for claimant.

January 2, 2025 - Medical records received from treating provider. Diagnosis documented as cervical strain with whiplash-type symptoms. Treatment plan includes physical therapy sessions and follow-up with orthopedic specialist. Records reviewed against prior history; no prior neck complaints noted in the file.

January 10, 2025 - Attorney's office submitted demand package including itemized medical bills, wage loss documentation, and vehicle repair estimate. Demand exceeds current reserve and has been referred to supervisor for evaluation. Recommended next step is to request independent medical examination and schedule negotiation call with counsel.

Recorded Statement

Claim number:	C-1027
Statement of:	Marcus Williams
Taken by:	Alison Sweeney
Date:	December 16, 2024

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my full name on a recording, but you can use the claim reference.

Q: That's fine. Can you tell me where you were when the collision happened?

A: I was driving through the intersection in Conroe, Texas, heading east on the main road. The light had just turned green for me.

Q: Did you see the other vehicle before the impact?

A: Not really. I saw a car coming from my right side, but it was already too close. It came through the intersection and hit the driver's side of my car.

Q: How fast would you estimate you were traveling?

A: Maybe twenty-five or thirty miles per hour. I'd just started moving again from the light.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: Did your airbags deploy?

A: No, they didn't. The impact pushed me sideways against the door and then my head snapped back and forward.

Q: Did you seek medical attention after the accident?

A: I went to urgent care that same afternoon. They said I had whiplash and gave me a neck brace and some pain medication.

Q: Are you still experiencing symptoms?

A: Yes. My neck is stiff, and I get headaches, msotly in the afternoons. Turning my head to check blind spots is painful.

Q: Have you missed any work because of your injuries?

A: I've missed a few days, and I'm doing lighter duties now. My doctor has me scheduled for physical therapy.

Q: Is there anything else you'd like to add to your statement?

A: Only that I believe the other driver ran the red light. I'm willing to provide any other information you need.

Q: Thank you. This concludes the statement.
