Officer's narrative

Driver 1 was operating a silver sedan northbound on Fry Road in Katy, Texas, approaching the interesction with a signalized traffic light. Driver 2, operating a white pickup turck directly behind Driver 1, was unable to stop in time when Driver 1 slowed for traffic ahead. The front of the pickup struck the rear of the sedan at low to moderate speed. A Passenger riding in the front seat of the sedan was present at the scene. Both vehicles sustained visible rear and front-end damage and were not drivable without towing. Driver 1 stated that neck and upper back pain began shortly after the impact and reported symptoms consistent with whiplash. Driver 2 stated the brakes did not respond as expected. No citations were issued at the scene pending further investigation. Emergency mdeical services evaluated the parties on scene, and Driver 1 was transported to a local medical facility for further evaluation. Weather was clear and the roadway was dry at the time of the collision.
