Statement of:	Andrew Fitzgerald
Taken by:	Alison Sweeney
Date:	2025-06-27

Q: Thank you for taking the time to speak with me today. This recorded statement concerns the collision you were involved in while turning left in Pearland, Texas. Do you understand that this conversation is being recorded?

A: Yes, I understand.

Q: Please state where you were coming from and where you were headed when the accident happened.

A: I was driving home from the grocery store. I was going to turn left into my neighborhood entrance off the main road.

Q: What was the weather and visibility like?

A: It was clear and still daylight. The road was dry.

Q: Describe what you saw before you started the turn.

A: I checked for oncoming traffic. There was a car coming from the other direction, but it looked far enough away. I started to turn, and then a vehicle came through the intersection from the other side and hit the front driver's side of my car.

Q: Did you see that vehicle before you began your turn?

A: No, I did not see it. I believe it came up quickly and I didn't notice it in time.

Q: How fast were you traveling?

A: I'd estimate around twenty-five miles per hour. I was slowing down for the turn.

Q: Were you injured?

A: Yes. My right knee hit the dashboard and the steering column. It's swollen and painful, and I've had trouble bending it and putting weight on it.

Q: Have you seen a doctor or received treatment?

A: I was taken to an urgent care clinic that evening. They took X-rays and told me to follow up with an orthopedic specialist. I have an appointment scheduled.

Q: Is there anything else you'd like to add to your statement?

A: Only that I was driving carefully and I believe the other driver should have yielded.

Q: Thank you. This concludes the recorded statement.
