Description of the accident (claimant's words)

I was driving in the right lane on the access road in League City, Texas, when I signaled and began moving left to change lanes. As I merged, I felt a jolt and heard metal scrape. A pickup truck in the left lane had moved into the space I was entering, and its side struck the passenger side of my vehicle. I pulled onto the shoulder right away and turned on my hazard lights. My car's front quarter paenl and passenger door were damaged, and the driver's side mirror was knocked loose. I hit my head against the window frame during the impact. I felt dizzy, had a headache, and was confused for a short time afterward. Paramedics checked me at the scene, and I was later diagnosed with a concussion. I have stopped driving until my doctor clears me.
