Claim Notes

Claim number:	C-1055
Claimant:	John Ryan
Adjuster:	Alison Sweeney

2024-03-29 - Claim opened following a rear-end collision at a signalized intersection. Insured vehicle was stopped at the light when struck from behind by a third-party vehicle. Police report requested. Insured reports no airbag deployment and vehicle is drivable. Photos of rear damage received and added to file.

2024-03-31 - Claimant has retained counsel. Letter of representation received from claimant's attorney's office directing all communications through counsel. Claimant's direct contact discontinued. Preliminary liability appears clear based on the statement of the insured and the independent witness account. Liability acceptance under review pending full police findings.

2024-04-02 - Claimant's attorney subimtted medical documentation indicating diagnoses of cervical strain and lumbar strain following the collision. Records reflect initial evaluation at urgent care followed by referral to physical therapy. Treatment plan notes ongoing range-of-motion limitations and muscle spasm. Prognosis listed as favorable with conservative care. Records reviewed and logged.

2024-04-08 - Counsel requested an advance on anticipated settlement to cover ongonig physical therapy costs. Request declined pending completion of medical review and receipt of itemized billing. Advised counsel that a records review by the company's medical consultant has been scheduled. Counsel acknowledged and indicated the claimant's therapy schedule will continue for several more weeks.

2024-04-17 - Medical consultant review completed. Findings consistent with soft tissue injury. Treatment appears reasonable for documented symptoms, though duration of therapy to be evaluated further. Reserve adjusted to reflect current medical picture and representation status. Next step: request complete itemized bills and wage documentation from counsel, then reassess settlement evaluation at next file review.

Recorded Statement

Claim number:	C-1055
Statement of:	John Ryan
Taken by:	Alison Sweeney
Date:	2024-03-29

Q: Thank you for taking the time to speak with me today. This recorded statement concerns the collision you were involved in on the Pasadena, Texas roadway. Can you confirm that you are comfortable continuing?

A: Yes, I'm comfortable. Go ahead.

Q: Please describe what you were doing right before the impact.

A: I was stopped at a traffic light in the right lane. The light was red, and I had been waiting for maybe fifteen or twenty seconds when I felt the hit from behind.

Q: Were you wearing your seatbelt at the time?

A: Yes, I was.

Q: How fast would you estimtae the other vehicle was traveling when it struck you?

A: I didn't see it coming, so I can't say for sure. It felt like a hard hit, though. My head snapped back and then forward.

Q: Did your vehicle move after the impact?

A: Yes, it lurched forward into the car in front of me. I don't think I hit it hard, but my car did move.

Q: Did you feel any injuries immediately after the collision?

A: Not right away. About an hour later my neck started to ache, and by the next morning I had stiffness and pain across my lower back too.

Q: Have you sought medical treatment since the collision?

A: Yes, I saw my doctor and I've been doing physical therapy twice a week. The doctor diagnosed me with neck and back strain.

Q: Are you currently experiencing any limitations in your daily activities?

A: Yes, it's hard to lift anything heavy, and I've had trouble sleeping because of the pain. I've also missed some work.

Q: Is there anything else you would like to add to your statement?

A: No, I think that covers it. I just hope this gets resolved soon.

Q: Thank you. This concludes the recorded statement.
