Claim Notes

Claim number:	C-1056
Claimant:	Ethan Johnson
Adjuster:	Jerry Hanson

2-5-24 - Claim received by phone from the insured's vehicle owner regarding a low-speed collision in a retail parking lot. Claimant reports being rear-ended while stopped at a marked space. No police report filed on scene. Photos requested.

2-14-24 - Claimant reports neck strain following the impact and states symptoms began within an hour. Advised claimant to seek medical evaluation and keep all treatment records. Claimant indicates they are not represented by an attorney and prefers to handle the claim directly.

2-20-24 - Recorded statement obtained from claimant. Describes vehicle damage to rear bumper and trunk area. Other driver ackonwledged fault at the scene per claimant account. Other driver's insurer contacted to cnofirm coverage and open a liability file.

2-21-24 - Reviewed submitted photos and repair estimate. Damage consistent with reported impact speed. Claimant asked about rental vehicle coverage; explained the terms of the policy and the process for a rental authorization. No dispute raised on property damage so far.

2-28-24 - Follow-up call to claimant regarding medical documentation for neck strain. Claimant has scheduled an appointment with a provider and will forward records once received. File set to pending medical review. Next follow-up scheduled for when records arrive.

Recorded Statement

Claim number:	C-1056
Statement of:	Ethan Johnson
Taken by:	Jerry Hanson
Date:	2-8-24

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather just keep it to the accident, if that's okay.

Q: Understood. For the record, can you confirm you were the driver of the vehicle involved in the collision in the parking lot in League City, Texas?

A: Yes, I was driving my car. I had just pulled into a space near the store entrance.

Q: What time of day was it, and what were the weather and lighting conditions like?

A: It was late afternoon. It was dry and still light out, so visibility was fine.

Q: Walk me through what happened as you were parking.

A: I was backing into the space slowly, checking my mirrors. Another vehicle came down the aisle and hit the rear passenger side of my car. I felt a hard jolt and my head snapped forward and then back.

Q: Did you stop your vehicle before the impact, or were you still moving?

A: I was moving, but very slowly, maybe a couple of miles per hour.

Q: Did you notice the other vehicle before it hit you?

A: Not really. I heard a horn right before the impact, but I didn't see it coming in time.

Q: Did you receive any treatment at the scene or afterward?

A: The paramedics checked me out at the scene. Later I went to an urgent care clinic because my neck was really stiff and sore.

Q: Can you describe your symptoms right now?

A: My neck is tight, especially when I turn my head to the left. I also get a dull headache by the end of the day. I've been taking over-the-counter pain relievers and using a heating pad.

Q: Have you had any prior neck or back problems?

A: No, nothing serious. I've had occasional stiffness from sitting at a desk, but nothing I ever needed treatment for.

Q: Thank you. Is there anything else you'd like to add?

A: Just that I'm trying to get back to normal, and I hope this gets sorted out quickly.

Q: Thank you for your time today.
