Recorded Statement

Claim number:	C-1059
Statement of:	Stephanie Jones
Taken by:	Jerry Hanson
Date:	2024-11-23

Q: Thank you for taking the time to speak with me today. This recorded statement concerns the collision you were involved in. Please state your full name for the record.

A: I'd rather not give my full name on a recording, but you can use the claim file. I'm the driver of the blue sedan.

Q: Understood. Can you describe where you were when the collision occurred?

A: I was hedaing down the two-lane road in Sugar Land, going maybe thirty miles an hour. It was a clear afternoon, the road was dry.

Q: What happened next?

A: A pickup coming the other way drifted into my lane. I braked and turned right, but we still hit nose to nose. It wasn't a hard hit, but the airbags didn't go off.

Q: Did you see the pickup move over before the impact?

A: Not really. I saw headlights getting closer, then I hit the brakes. I think the other driver was on the phone, but I can't swear to that.

Q: How are you feeling since the collision?

A: My lower back is sore and stiff. I felt fine at the scene, but by that evening it was hard to sit for long. I've been using a heating pad and taking ibuprofen.

Q: Have you seen a doctor or other medical provider?

A: Yes, I went to urgent care the next morning. They diagnosed a back strain and gave me a referral for physical therapy. I start sessions next week.

Q: Is there anything else you'd like to add to your statement?

A: Just that I was driving carefully and I want my car repaired properly. I'm willing to provide any records you need.

Q: Thank you. This concludes the statement.
