Vehicle:	2016 Hyundai Elantra
License plate:	V75-89E
Injuries reported:	back strain
Investigating officer:	Officer Matthew Andrews, Badge 1033

Officer's narrative

Officer narrative. On arrival at the scene in Sugar Land, Texas, I observed a two-vehicle collision involving a head-on impact at low speed. Driver 1 was operating a sedan northbound and Driver 2 was operating a pickup southbound when the front bumpers made contact in the travel lane. Both vehicles sustained visible front-end damage but neither was towed from the scene. Airbags did not deploy in either vehicle. A passenger was seated in the front right seat of the sedan and was uninjured. Driver 1 stated that the impact was minor but reported immediate neck and lower back discomfort and said they felt stiffness and strain. Driver 1 was able to exit the vehicle under their own power and was evaluated on scene. Driver 2 reported no injury. Both drivers exchanged insurance information and cooperated fully. No citations were issued at the time of this report. Weather was clear and the roadway was dry.
