Q: Please state your full name for the recording.

A: I'd rather not give my name on the recording, but you can use the claim file.

Q: That's fine. Can you confirm you were driving the vehicle involevd in the collision in Sugar Land, Texas?

A: Yes, I was driving my sedan. I was heading down the two-lane road toward the shopping center.

Q: Can you describe what happened?

A: Another car crossed into my lane. It was a head-on collision, but it wasn't a hard hit. We were both going slow, maybe fifteen or twenty miles an hour, and we came together front to front.

Q: Did you lose consciousness or hit your head?

A: No. I didn't hit my head. I was shaken up, but I stayed awake and got out of the car on my own.

Q: Were you wearing your seatbelt?

A: Yes, the belt was on and it locked when we hit. I think that's why I didn't go through the windshield.

Q: Have you received medical treatment snice the accident?

A: Yes. I went to an urgent care clinic that same afternoon. They said I had a neck and back strain and gave me muslce relaxers and some physical therapy referrals.

Q: Are you still experiencing symptoms?

A: Yes. My neck is stiff, especially when I turn to check my blind spot, and my lower back aches when I sit for long periods. Some mornings it's worse than others.

Q: Have you missed any work because of your injuries?

A: I missed two days and I've been working shorter shifts sicne then.

Q: Is there anything else you'd like to add to your statement?

A: Only that I want to be sure my repair costs and medical bills get properly documented. I've kept all the receipts.

Q: Thank you. This concludes the recorded statement.

A: Thank you.
