Officer's narrative

Officer narrative: On arrival at the scene in Sugar Land, Texas, I observed two passenger vehicles in a head-on collision with moderate front-end damage to both. Driver 1 was operating the northbound vehicle and Driver 2 the southbound vehicle. Based on vehicle positions and debris, the initial impact appeared to be a low-speed frontal contact, with no airbag deployment in etiher vehicle. Both drivers were conscious and able to speak with me. Driver 1 stated that they felt neck and back discomfort following the impact and requested medical evaluation; Driver 1 was assisted to a seated position and EMS was notified. Driver 2 reported no injuries. A Passenger in the northbound vehicle was seated and reported no complaints. Traffic was directed around the scene until both vehicles were cleared. Citations were pending completion of the investigation.
