Re: Claim C-1081
Our client: Colin Bell
Date of loss: June 25, 2023

Dear Claims Representative:

This letter confirms that our firm now represents the injured party in connection with the collision that occurred when the other vehicle strcuk our client while she was making a left turn. Please direct all further communication regarding this matter to our office and do not contact our client directly, either by telephone, in writing, or in person.

We ask that you disclose the bodily injury and property damage liability limits under the policy issued to your insured, along with a certified copy of the declarations page and any excess or umbrella coverage that may apply. Please also confirm the identity of the adjuster assigned to this claim.

We further request that your insured and your company preserve all evidence relating to the incident. This includes vehicle data and event data recorder information, photographs, dashcam or surveillance footage, witness statements, claim notes, repair and total-loss records, and all communications with the insured or any third party. Failure to preserve such material may result in sanctions in any later proceeding.

We look forward to your prompt written response.

Sincerely,

James Moody
