Claim Notes

Claim number:	C-1084
Claimant:	Samuel Nelson
Adjuster:	Alison Sweeney

January 10, 2024 - Claim received by phone from the insured reporting a low-speed head-on collision at an intersection. Insured states the other vehicle crossed the centerline during a turn. Both vehicles drvien from scene. Police report requested. Photos of both vehicles uploaded to file.

January 16, 2024 - Recorded statement taken from insured. Insured reports mild neck stiffness the following morning and has scheduled a visit with a physician. Vehicle inspection assigned to a field appraiser. Liability appears probable against the other driver, pending police report review.

January 18, 2024 - Notice of representation received from claimant's attorney's office. All further contact to be directed to counsel. Medical authorization and records request sent to counsel. Claimant's treatment described as a neck srtain with physical therapy recommended. No surgical recommendation at this time.

January 25, 2024 - Appraisal received on both vehicles. Damage consistent with low-speed impact, primarily to front bumper assemblies, headlamp housings, and hood. Repair estimates reviewed and within expected range for the damage described. Rental coverage confirmed for the insured while the vehicle is in repair.

January 26, 2024 - Demand package received from claimant's counsel including treatment notes and billing summary. File referred to supervisor for evaluation of the bodily injury component. Reserve reviewed and adjusted to reflect current treatment status. Follow-up scheduled to confirm completion of physical therapy and receipt of final records.

Recorded Statement

Claim number:	C-1084
Statement of:	Samuel Nelson
Taken by:	Alison Sweeney
Date:	January 14, 2024

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my full name on a recording, but I can confirm I was the driver of the vehicle involved.

Q: That's fine. Can you describe where the collision happened?

A: It was on a two-lane road in Houston, Texas, near an intersection with a gas station on the corner.

Q: What were you doing right before the impact?

A: I was driving straight, maybe at about twenty-five miles an hour. The other car came over into my lane.

Q: Did you try to avoid the collision?

A: I braked and turned a little to the right, but there wasn't enough room. It was a head-on hit, though not a hard one.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: Did the airbags deploy?

A: No, they didn't. I was pushed forward and then back against the seat.

Q: Did you get checked out by anyone after the accident?

A: I drove myself to an urgent care clinic later that afternoon beacuse my neck was stiff and sore.

Q: Can you describe your injuries?

A: The main issue is my neck. It aches when I turn my head, and I have a headache that comes and goes. My shoulders feel tight too.

Q: Are you still receiving treatment?

A: Yes, I'm doing physical therapy twice a week and taking over-the-counter pain relievers.

Q: Have you missed any work because of the injury?

A: I missed a couple of days, and I've been limiting how long I sit at my desk.

Q: Did you have any neck or back problems before this accident?

A: I had some occasional stiffness in the past, but nothing that stopped me from working or exercising.

Q: Is there anything else you'd like to add to your statement?

A: Only that I'm cooperating fluly and I want this handled fairly. Thank you.
