Statement of:	Jessica Wilson

Date:	24 Feb 2025

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather just be called the claimant on this, if that's okay.

Q: That's fine. Can you describe where you were when the collision happened?

A: I was driving on the main road in Baytown, in the right lane, heading toward the highway on-ramp.

Q: What were you doing right before the impact?

A: I was changing lanes to move over to the left. I checked my mirror and I didn't see anyone, so I signaled and started to move.

Q: Did you see the other vehicle at any point?

A: Not really. I felt a bump on my side and heard scraping. When I looked, the other car was rihgt next to me and had already come into my lane.

Q: What was the speed of your vehicle at the time?

A: I'd guess around thirty-five miles an hour. Traffic was moving steadily.

Q: Were you able to stop or pull over after the contact?

A: Yes, I pulled onto the shoulder. My car was drivable, but the side mirror was knocked off.

Q: Have you sought medical attention since the collision?

A: Yes. I went to urgent care the same day because my neck was stiff and I had a headache. They said it looked like whiplash.

Q: Are you currently experiencing any symptoms?

A: Yes, my neck still hurts when I turn my head, and I get pain across my shoulders. Sitting for long periods makes it worse.

Q: Is there anything else you would like to add to your statement?

A: Only that I was careful and signaled. I just want my car repaired and my medical bills taken care of.

Q: Thank you. This concludes the recorded statement.
