Recorded Statement

Claim number:	C-1103
Statement of:	Mike Lee
Taken by:	Chelsea Hebert
Date:	2024-12-12

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my name on tape, if that's okay. You can use the claim number.

Q: That's fine. Can you tell me where you were when the collision happened?

A: I was in a parking lot at a shopping center in Katy, Texas. I was backing out of a space near the main entrance.

Q: What time of day was it, and what were the weather and lighting conditions?

A: It was in the afternoon. It was sunny and dry, and the lot was pretty busy.

Q: Walk me through what happened as you were backing out.

A: I checked my mirrors and didn't see anything behind me. I started rolling back slowly, and then I felt an impact on the rear passenger side. The other car was coming down the aisle, and I think they were going a bit fast for a parking lot.

Q: Did you or the other driver stop before the impact?

A: I stopped right away once I felt the bump. I don't think the other driver braked until the last second.

Q: Were you injured at the scene?

A: Not obviously. I felt stiff in my neck and my lower back started aching within an hour or so. By the next morning it was worse.

Q: Have you sought medical treatment since the collision?

A: Yes, I went to urgent care the following day and was told I had neck and back strain. I've been doing physical therapy twice a week since then.

Q: Are you currently taking any medication or missing work?

A: I'm taking over-the-counter pain relievers. I've missed a few shifts because sitting and lifting are hard right now.

Q: Is there anything else you think I sholud know about the collision?

A: Only that I'm not trying to make more of this than it was. I just want my bills covered and to get back to normal.

Q: Thank you. That concludes the statement.

A: Thank you.
