Statement of:	Maria Burgess
Taken by:	Alison Sweeney
Date:	5 Mar 2023

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'm not comfortable giving my full name on a recording without knowing how it will be used.

Q: That's understandable. This recording is for the claim file only. Can you tell me where you were when the collision happened?

A: I was in the right lane on the main road in Baytown, Texas, heading toward the interchange.

Q: What were you doing right before the impact?

A: I was changing lanes to the left because the lane ahead was slowing down. I checked my mirror, saw nothing, and started to move over.

Q: Did you use your turn signal?

A: I believe so. I clicked it on before I started moving.

Q: Where was the other vehicle when you first noticed it?

A: I didn't notice it until we made contact. It came up on my left side, and then there was a loud scrape and my car pushed sideways.

Q: Did either vehicle stop after the collision?

A: Yes, we both pulled onto the shoulder. The other driver got out and we exchanged information.

Q: How are you feeling physically rgiht now?

A: My neck is stiff and sore, and my lower back aches, especially when I sit for a long time. I went to urgent care that same day.

Q: Have you had any prior neck or back problems?

A: I had some mild back soreness a few years ago, but nothing that required treatment or time off work.

Q: Is there anything else you would like to add to your statement?

A: Only that I'm trying to keep up with my physical therapy and I'm hoping to get back to normal soon.

Q: Thank you. This concludes the recorded statement.

A: Thank you.
