Re: Claim C-1113
Our client: Amanda Hawkins
Date of loss: 03/07/2024

Dear Claims Representative:

I represent the claimant in connection with a motor vehicle collision that occurred when the insured vehicle changed lanes and sideswiped our client's vehicle. Our client sustained injuries as a result of the collision and is now seeking compensation for medical expenses, lost income, and pain and suffering.

Please direct all further communication regarding this matter to this office and do not contact our client directly. If you have received any statements from our client, please let us know immediately.

We request that you provide the policy limits of liability coverage for the insured under the policy in force at the time of the collision, together with a copy of the declarations page.

Please also take immediate steps to preserve all evidence relating to this incident, including photographs, dashcam or telematics data, vehicle repair records, the adjuster's file, recorded statements, and any surveillance or witness materials. Failure to preserve this evidence may result in sanctions. We look froward to your prompt response.

Sincerely,

David Young
