Re: Claim C-1114
Our client: Patricia Taylor
Date of loss: 04/27/2024

Dear Claims Representative:

I write on behalf of our client regarding the sideswipe collision that occurred while our client was changing lanes. Our client sustained injuries in the incident and has retained this firm to represent their interests in all matters arising from it.

Effective immediately, please direct all further communication concerning this claim to this office and do not contact our client directly. If you have already been in contact with our client, please route any future inquiries through us.

We request that you provide the bodily injury and property damage liability limits of the policy issued to the at-fault driver, along with a copy of the declarations page confirming those limits.

We also ask that your insured and your company preserve all evidence relating to the collision. This includes vehicle data and telematics, photographs, dashcam or surveillance footage, recorded statements, adjuster notes, and any repair or total-loss records. Please confirm in writing that this preservation obligation has been put in place.

Sincerely,

David Young
