Q: Thanks for taking the time to speak with me today. This recorded statement concerns the collision you were involved in. Before we begin, do you consent to this conversation being recorded?

A: Yes, that's fine.

Q: Please state your full name and the address where you currently live.

A: I'd rather just give my first name for now, but I can provide the full details later if you need them.

Q: That's acceptable. Can you describe where the collision happened?

A: It was at an intersection in Katy, Texas. I was turning left from a main road into a shopping center entrance.

Q: What were the traffic cnoditions when you began your turn?

A: It was fairly light. I checked for oncoming vehicles, saw a gap, and started to turn. The other car came through from the opposite direction, and we collided in the middle of the intersection.

Q: Was there a traffic signal, and what color was it?

A: It was a green light for the through traffic, and I had a green arrow for my left turn.

Q: Did you notice any warning signs or hear any horns before impact?

A: No. Everything happened very quickly.

Q: Have you experienced any injuries since the collision?

A: Yes. I have pain in my lower back and it's been stiff since the accident. I saw a doctor who diagnosed a back strain and gave me some medication and instructions to rest and do light stretching.

Q: Are you currently receiving any treatment?

A: I'm going to physical therapy twice a week, and I'm still limiting how long I sit or lift things.

Q: Thank you. Is there anything you'd like to add to your statement?

A: Only that I want to be sure my vehicle damage and medical costs are documented properly.

Q: Understood. This concludes our recorded statement. Thank you.

A: Thank you.
