Statement of:	Robert Copeland

Date:	7-29-23

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my name on the recording, if that's okay. I'm the driver of the vehicle involved.

Q: That's fine. Can you tell me where the accident happened?

A: It was at an intersection in Sugar Land, Texas. I was making a left turn across the oncoming lanes.

Q: What time of day was it?

A: It was in the afternoon, maybe around three. The traffic light had just turned yellow when I started turning.

Q: Tell me what happened when you started the turn.

A: I waited for a gap in traffic, and I thought it was clear. Then a car coming straight through the itnersection hit the front passenger side of my vehicle.

Q: Were you going fast?

A: No, I was almost stopped, maybe ten or fifteen miles an hour. It was a slow turn.

Q: Were you injured?

A: Yes. My neck hurts and my lower back is sore. I felt it right away, but I didn't think much of it until the next morning.

Q: Did you seek medical treatment?

A: Yes, I went to urgent care that evening. They told me I had a neck and back strain and gave me some muscle relaxers and told me to rest.

Q: Are you still experiencing pain?

A: Yes, I have stiffness when I turn my head, and sitting for long periods makes my back ache. I've been taking it easy at home and doing some stretches the doctor recommended.

Q: Thank you. Is there anything else you'd like to add?

A: No, I think that covers it. I just want to make sure my medical bills get taken care of.

Q: Understood. Thank you for your time. This concludes the statement.
