Statement of:	Douglas Dunlap
Taken by:	Alison Sweeney
Date:	06/01/2023

Q: Thank you for agreeing to give this recorded statement. Please state your name for the record.

A: I'd rather not say my name on tape, if that's okay. You already have it in the claim file.

Q: That's fine. Can you tell me where you were when the accident happened?

A: I was driving through Baytown, Texas, heading toward the intersection near the shopping center. It was a clear afternoon.

Q: What were you doing at the time?

A: I was turnnig left into the shopping center lot. I had my signal on and I was waiting for a gap in oncoming traffic.

Q: What happened next?

A: The other car came through the intersection much fsater than I expected. I started to make the turn and then it hit the front passenger side of my car. My car spun a little and the airbags went off.

Q: Did you see the other vehicle before the impact?

A: Only for a second. I think it was coming from the opposite direction and I didn't judge the speed right.

Q: Were you hurt?

A: Yes. My right knee hit the dashboard and it swelled up almost right away. I've had trouble putting weight on it since.

Q: Have you seen a doctor?

A: Yes, I went to the emergency room that evening and they took X-rays. I'm now seeing an orthopedic doctor and I'm going to physical therapy twice a week.

Q: Is there anything else you'd like to add?

A: Just that I was driving carefully and I want my medical bills to be covered. I'm happy to send the records.

Q: Thank you. This concludes the statement.
