Recorded Statement

Claim number:	C-1134
Statement of:	Bryce Davis
Taken by:	Jerry Hanson
Date:	2023-09-09

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my name on the recording, if that's okay. You already have it on the claim file.

Q: That's fine. Can you tell me where you were when the collision happened?

A: I was driving through the intersection in Baytown, Texas, heading east on the main road. The light had just turned green for me.

Q: Did you see the other vehicle before the impact?

A: Not really. It came in from my right side. I heard a horn, I think, and then there was a loud bang on the passenger side of my car.

Q: How fast would you estimate you were going?

A: Maybe thirty-five miles an hour, the posted speed. I wasn't speeding.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: Did the airbags deploy?

A: No, they didn't. My car got pushed sideways and the door caved in near my seat.

Q: Have you sought medical treatment since the accident?

A: Yes. I went to urgent care that same afternoon. They said I have a back strain. My lower back is sore and stiff, and it hurts more when I sit for long periods or try to lift anything.

Q: Are you currently under a doctor's care?

A: Yes, I have a follow-up scheduled with my primary care physician, and I've been doing some physical therapy exercises at home.

Q: Is there anything else you'd like to add to your statement?

A: Only that I've missed a few days of work because of the pain, and I'd like the claim to cover those costs as well as my treatment.

Q: Thank you. This concludes the recorded statement.
