Claim Notes

Claim number:	C-1135
Claimant:	Melanie Huffman
Adjuster:	Valerie Rodriguez

11 Jul 2024 - Claim opened following a low-speed head-on collision reported by the insured. Insured states the other vehicle crossed the centerline on a curve. No airbag deployment reported. Both vehicles driven from scene. Photos requested from insured and scene location noted. Claimant identified as the driver of the other vehicle and reports neck strain. Claimant is represented by counsel; all further contact to be routed through attorney's office.

16 Jul 2024 - Received letter of representation from claimant's attorney. Requested medical records and authorization for release of records through counsel. Attorney confirms claimant sought evaluation at urgent care the day after the collision and was diagnosed with cervical strain. Reserve adjusted to reflect bodily injury exposure. Liability under review pending police report and vehicle damage appraisal.

18 Jul 2024 - Police report obtained. Responding officer documented a minor front-end impact at low speed and noted the other driver's statement that they were avoiding debris. Witness statement from a passenger in the insured vehicle is consistent with the insured's account. Liability position still under evaluation. Property damage estimate received from the body shop and reviewed against the photos on file.

23 Jul 2024 - Spoke with claimant's attorney regarding the status of medical documentation. Attorney indicates treatment is ongoing with a physical therapist and that the calimant has missed some work. Requested updated treatment notes and wage verification. Attorney requested a prompt response on the bodily injury evaluation. Noted that a recorded statement from the claimant has not been taken, and that the request was declined through counsel.

1 Aug 2024 - Reviewed medical file received from claimant's provider. Records support a diagnosis of cervical strain with conservative treatment only and no imaging findings of fracture or disc injury. File referred to supervisor for evaluation of the bodily injury claim. Follow-up scheduled to confirm receipt of wage documentation from counsel. Claim remains open pending supervisor review.

Recorded Statement

Claim number:	C-1135
Statement of:	Melanie Huffman
Taken by:	Valerie Rodriguez
Date:	14 Jul 2024

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather just keep it to the accident, if that's alright.

Q: That's fine. We'll keep it brief. Can you tell me where the collision happened?

A: It was on a two-lane road in Katy, Texas, near a shopping center entrance.

Q: What time of day was it?

A: Late afternoon, maybe around four or five. It was still light out.

Q: Walk me through what happened.

A: I was heading east and slowing down for the turn lane. The other car came over the center line and hit me head-on. It wasn't going very fast, though. I'd guess maybe fifteen or twenty miles an hour.

Q: Did you apply your brakes before impact?

A: Yes, I braked hard, but there wasn't much room to stop.

Q: Were you wearing your seatbelt?

A: Yes, and the airbag didn't deploy, which I think is why I got the neck thing.

Q: Describe your injuries.

A: My neck is sore and stiff, mostly in the back and on the right side. I've got a headache some mornings too.

Q: Have you seen a doctor or other provider sicne the accident?

A: I went to urgent care the same evening, and I've been seeing a physical therapist twice a week since.

Q: Any prior neck or back problems you can recall?

A: Nothing serious. I had some stiffness a few years ago after lifting something, but it went away with stretching.

Q: Is there anything else you'd like to add?

A: Just that the other driver apologized at the scene. That's about it.

Q: Thank you. This concludes the statement.
