Recorded Statement

Claim number:	C-1149
Statement of:	Cody Vazquez
Taken by:	Jerry Hanson
Date:	08/24/2023

Q: Thank you for taking the time to give this recorded statement. Please state your full name for the record.

A: I'd rather not put my full name on it, but you can use the claim file. It's the driver of the blue sedan.

Q: Understood. Can you describe where you were when the collision happened?

A: I was mkaing a left turn at an intersection in Pasadena, Texas, heading toward a shopping center. The light had turned yellow, and I was trying to get through before it went red.

Q: What happened next?

A: A pickup coming the other way hit the front passenger side of my car. I didn't see it coming until it was almost on top of me. I braked, but there wasn't time.

Q: Were you wearing your seatbelt?

A: Yes, I was. The airbags deployed, though, and the steering wheel hit my chest and knee pretty hard.

Q: Can you tell me about your injuries?

A: My right knee is the main problem. It swelled up within an hour, and I can't bend it all the way. The doctor said it could be a ligament issue and ordered an MRI. My chest is sore, but it's mostly bruising.

Q: Have you seen a doctor since the accident?

A: Yes, I went to the emergency room that evening and I've been to my primary care physician twice since. I'm waiting on the MRI results and I'm using crutches for now.

Q: Did you have any prior injuries to that knee?

A: Not that I can remember. I played sports in high school, but I haven't had any problems in years.

Q: Is there anything else you'd like to add to your statement?

A: Only that I've been careful about following the doctor's instructions, and I'm willing to share my medical records. I'd like this settled fairly.

Q: Thank you. This concludes the recorded statement.
