Q: Thanks for taking the time to give this recorded statement. Please state your full name for the record.

A: I'd rather not say my full name on a recording, but you can use the claim number.

Q: That's fine. Can you tell me where you were when the accident happened?

A: I was driving on a main road in Sugar Land, heading toward the shopping center. It was pretty slow traffic.

Q: What was the weather and road condition like?

A: It was clear, and the pavement was dry. Nothing unusual.

Q: Walk me through what happened right before the impact.

A: The car in front of me stopped suddenly, so I braked. The other vehicle came over the center line and hit me head-on, but it wasn't going very fast. I'd guess it was maybe ten or fifteen miles an hour.

Q: Did you have any time to react?

A: Not really. I got the brakes on, but there wasn't time to steer away.

Q: Were you waering your seatbelt?

A: Yes, I was.

Q: How are you feeling physically since the collision?

A: My lower back is sore and tight. I've been stiff when I get up in the morning, and it hruts to sit for long periods.

Q: Have you seen a doctor or received any treatment?

A: I went to urgent care that same day. They gave me muscle relaxers and told me to follow up with my regular physician.

Q: Did you have any back problems before this accident?

A: I had some occasional soreness from lifting at work, but nothnig that kept me from my normal activities.

Q: Is there anything else you'd like to add to your statement?

A: No, I think that covers it. I appreciate you following up.

Q: Thank you. This concludes the recorded statement.
