Recorded Statement

Claim number:	C-1164
Statement of:	Donna Mejia
Taken by:	Jerry Hanson
Date:	6 Sep 2024

Q: Thanks for taking the time to give this recorded statement. Please state your full name for the record.

A: I'd rather not put my name on it yet. Can we just use the claim number?

Q: That works for the file. Can you tell me where you were when the collision happened?

A: I was stopped at a light on a main road in Katy, Texas, heading toward the freeway. Traffic had slowed down ahead of me.

Q: What happened next?

A: The car behind me didn't stop in time. I felt a hard jolt from behind, and my head snapped back and then forward. The seatbelt grabbed me pretty hard.

Q: Did you get out of your vehicle right away?

A: I sat there for a minute. My neck and lower back were already tightening up. I got out after the other driver came over to check on me.

Q: Did you seek any medical attention?

A: Yes, I went to an urgent care clinic that afternoon. They looked at my back and said it was a strain, probably soft tissue. They gave me muscle relaxers and told me to rest and avoid heavy lifting.

Q: Are you still experiencing pain?

A: Yes. Sitting for long periods is the worst. Bending over to pick things up hurts, and I've had trouble sleeping on my side. I've been doing gentle stretches the clinic recommended.

Q: Have you missed any work because of the injury?

A: I've been able to work from home for the past few days, but I had to cut back on the driving part of my job, and that's cost me some hours.

Q: Is there anything else you'd like to add about the accident?

A: Only that I was following the traffic rules and had not been distracted. I just want my back to get better and this to be handled fairly.

Q: Thank you. That concludes the statement.

A: Thanks. I appreciate your patience.
