Q: Thank you for agreeing to give this recorded statement. Please satte your full name for the record.

A: I'd rather not give my name on a recording, but you can reference the claim.

Q: That's fine. Can you tell me where you were when the collision occurred?

A: I was driving through an intersection in Conroe, Texas, trying to make a left turn onto the main road.

Q: What was the traffic signal showing for you at the time?

A: My light was green, but I had a yield arrow for oncoming traffic. I waited for a gap and started turning.

Q: What happened next?

A: A vehicle coming straight through the intersetcion hit the rear passenger side of my car. I didn't see it until the impact.

Q: Were you wearing your seatbelt?

A: Yes, I was. The airbags did not deploy, but I was jolted forward and then back against the seat.

Q: Did you seek medical attention after the collision?

A: Yes, I went to urgent care that same afternoon. They diagnosed me with a neck and back strain.

Q: Are you currently experiencing any symptoms?

A: Yes. My neck is stiff, especially when I turn my head to check mirrors. My lower back aches after I sit for more than twenty minutes.

Q: Have you missed any work because of these injuries?

A: I've taken some time off and I'm limited to lighter duties right now. I'm still working through the details with my doctor.

Q: Is there anything else you'd like to add to your statement?

A: Only that I'm following my treatment plan and I want this resolved fairly.

Q: Thank you. This concludes the recorded statement.

A: Thank you.
