Reported injury:	back strain

Description of the accident (claimant's words)

I was backing out of a parking space at a grocery store in Katy, Texas, around midday, moving slowly with my mirrors checked. As I reversed, the rear corner of my vehicle struck the front passenger side of a silver sdean that was coming down the aisle behind me. Neither of us was moving fast, and both vehicles were drivable afterward. The other driver and I exchanged insurance information, and I took several photos of the damage to both cars and the location of the parking spaces. The impact was minor, but I felt a sharp pain in my lower back almost immediately and have been experiencing stfifness and soreness since. I have been advised by a medical provider that the inujry is a back strain, and I am following thier recommended treatment plan.
