Claim Notes

Claim number:	C-1178
Claimant:	Peter Hunt
Adjuster:	Valerie Rodriguez

Etnry 1: Received first notice of loss for a low-speed head-on collision. Insured reports the other vehicle crossed into their lane on a curve. Both vehicles driven from scene. Claimant reports neck and back strain and has retained counsel, who has requested that all contact go through the firm.

05/03/2023 - Spoke with claimant's attorney's office to confirm representation and receive the letter of protection. Requested medical authorizations and prior treatment records for the cervical and lumbar spine. Scene photos and repair estimates for both vehicles uploaded to file. Liability appears probable for the other driver based on the lane-encroachment account and the damage pattern.

05/07/2023 - Reviewed the independent appraisal. Damage to the front bumper, hood, and radiator support is consistent with a low-speed frontal impact. Airbag did not deploy in either vehicle. Requested the event data recorder download for the claimant's vehicle through counsel before the vehicle is released for repair.

05/09/2023 - Received initial treatment records showing evaluation at an urgent care facility followed by referral to physcial therapy. Diagnosis recorded as cervical and lumbar strain with muscle spasm. No iamging of the spine reported at this time. Attorney's office indicates a demand package will follow once treatment concludes.

05/13/2023 - Diary set for follow-up with claimant's counsel on outstanding treatment records and the event data recorder report. Reserves reviewed and held pending receipt of the demand. Supervisor notified that the claim involves represented claimant and possible bodily injury exposure.

Recorded Statement

Claim number:	C-1178
Statement of:	Peter Hunt
Taken by:	Valerie Rodriguez
Date:	04/21/2023

Q: Thank you for taking the time to speak with me today. This recorded statement concerns the collision you were involved in on a roadway in Houston, Texas. Do you understand that this conversation is being recorded?

A: Yes, I understand.

Q: Please state your full address for the record.

A: I'd rather just give the street and city, if that's okay.

Q: That's fine. Can you tell me in your own words what happened?

A: I was driving on a two-lane road heaidng toward the intersection. The car in the oncoming lane drifted over the center line and we ended up almost head-on. I braked as hard as I could, but the impact still happened. It wasn't very fast, maybe a slow crash, but it felt violent.

Q: Were you wearing your seatbelt?

A: Yes, and the airbags did not deploy.

Q: Did you hit your head or lose consciousness at any point?

A: No, I didn't black out. I did hit my chest on the wheel and my head snapped back.

Q: Have you noticed any injuries since the collision?

A: My neck is stiff and sore, especially when I turn to check my blind spot. My lower back aches when I sit for long periods. I went to an urgent care clinic that afternoon and they said it looked like a strain.

Q: Have you had any prior neck or back problems?

A: Nothing serious. I had some occasional soreness years ago but nothing that needed treatment.

Q: Are you curerntly receiving treatment?

A: Yes, I'm doing physical therapy twice a week and taking over-the-counter pain relievers.

Q: Thank you. Is there anything else you'd like to add?

A: Just that I'm trying to get back to normal and I hope this gets resolved quickly.

Q: Thank you for your cooperation. This concludes the statement.
