Claim number:	C-1183
Statement of:	Erik Skinner
Taken by:	Alison Sweeney
Date:	February 14, 2023

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my full name on a recording, but you can use the claim reference.

Q: That works. Can you tell me where you were when the collision happened?

A: I was driving east on a two-lane road in League City, heading to the grocery store near the highway.

Q: What happened right before impact?

A: The other car came over the center line. I hit the brakes and turned right, but we still collided nose to nose. It wasn't very fast, maybe fifteen or twenty miles an hour.

Q: Did your airbags deploy?

A: No, they didn't. My car just stopped hard, and my seatbelt locked across my chest.

Q: Did you get out of the vehicle on your own?

A: Yes, I walked around for a few minutes, but my neck started stiffening almost right away.

Q: Did you seek medical attention?

A: I went to an urgent care clinic later that afternoon. They took X-rays and said it looked like whiplash.

Q: Are you still experiencing symptoms?

A: Yes. I have pain in my neck and upper back, and turning my head to the left is difficult. Headaches show up a few times a day.

Q: Have you missed any work because of the injury?

A: I've missed a few shifts. I work on my feet, and sitting or standing for long periods makes it worse.

Q: Did you have any neck or back problems before this accident?

A: I had some stiffness from sleeping wrong now and then, but nothing that stopped me from working or doing my normal activities.

Q: Is there anything else you want to add to your statement?

A: Only that I'm following the treatment plan my doctor gave me, and I'm willing to provide my records.

Q: Thank you. This concldues the recorded statement.

A: Thank you.
