Claim Notes

Claim number:	C-1184
Claimant:	James Golden
Adjuster:	Jerry Hanson

01/27/2025 - Claim opened following a side impact collision at a controlled intersection. Insured vehicle was struck on the driver's side by a third-party vehicle that entered the intersection against the signal. Police report requested. Liability appears clear on initial review, pending witness statement.

02/02/2025 - Claimant's counsel has provided notice of representation. All further contact to be routed through counsel. Claimant reports lower back strain following the impact and has been advised to obtain medical evaluation. Medical authorization requested through counsel.

02/05/2025 - Received police report. Officer noted the third-party driver admitted to failing to yield. Photos of both vehicles reviewed; damage consistent with reported point of impact. Independent appraisal ordered for the claimant's vehicle.

02/07/2025 - Counsel submitted treatment records from urgent care visit. Diagnosis is lumbar strain with muscle spasm. Physical therapy referral noted. Prior chiropractic history with the claimant disclosed but appears unrelated to the current complaint. Records forwarded to medical review for causation assessment.

02/16/2025 - Medical review completed. Soft tissue injury is consistent with the mehcanism of loss; treatment plan is reasonable at this stage. Reserve adjusted to reflect ongoing physical therapy. Counsel to be advised of liability determination and invited to submit a demand package once treatment concludes.

Recorded Statement

Claim number:	C-1184
Statement of:	James Golden
Taken by:	Jerry Hanson
Date:	01/29/2025

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my full name on a recording, but you can use the claim reference.

Q: That's fine. Can you descrbie where you were when the collision happened?

A: I was driving through the intersection on the main road in League City, heading east. The light had been green for me as I approached.

Q: What happened next?

A: A vehicle came from the cross street on my right side and went through the stop sign. It hit the passenger side of my car. I tried to brake but there was no time.

Q: Were you wearing your seatbelt?

A: Yes, I was. The airbag on my side did deploy.

Q: Did you lose consciousness or hit your head?

A: No. I was dazed for a few seconds, but I stayed conscious and got out of the car on my own.

Q: How are you feeling now?

A: My lower back is sore and stiff. It's worse in the morning and when I sit for a long time. I went to urgent care that same afternoon.

Q: Have you received any other treatment since then?

A: I've been doing physical therapy twice a week and taking over-the-counter pain medication. My doctor mentioned a possible muscle strain.

Q: Is there anything else you'd like to add to your statement?

A: Only that I'm still having trouble lifting things at work, and I'd like to know what the next steps are for my medical bills.

Q: Thank you. We'll follow up with you in writing.

A: Okay, thank you.
