Statement of:	Mathew Bradley
Taken by:	Chelsea Hebert
Date:	8-28-23

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my name on a recording, but you can use the claim file.

Q: That's fine. Can you describe where you were when the collision happened?

A: I was in Houston, making a left turn at an intersection with a green light. I'd been waiting a while for oncoming traffic to clear.

Q: What happened as you turned?

A: A vehicle coming straight through the intersection hit the rear passenger side of my car. I didn't see it until just before impact.

Q: Did you apply your brakes before the impact?

A: I think I braked a little, but there wasn't much time.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: Did you hit your head or lose consciousness?

A: No, I didn't hit my head. My knee struck the dashboard, though, and it's been painful since.

Q: Which knee, and what treatment have you received so far?

A: My right knee. I went to an urgent care clinic that same day, and they took X-rays. I've been referred to an orthopedic specialist, and I have a follow-up scheduled.

Q: Have you had any prior injuries or treatment to that knee?

A: No, nothing before this.

Q: Is there anything else you'd like to add to your statement?

A: Only that I've missed some work because I can't stand for long periods, and I'd like the claim to reflect that.

Q: Thank you. We'll follow up once we review your medical records.

A: Okay, thank you.
