Description of the accident (claimant's words)

I was backing my vehicle out of a parking space at a grocery store in Conroe, Texas, moving slowly with my mirrors checked, when I felt a jolt and heard a loud crunch. I stopped immediately. The other car had been coming down the aisle at a moderate pace and struck the rear quarter panel of my vehicle on the driver's side. Both vehicels sustained visible damage to the bumpers and body panels. I was not driving fast and did not see the other car until contact. After the impact I experienced a headache, dizziness, and confusion, and I was later diagnosed with a concussion. I am reporting this incident so that the damage to my vehicle and my mdeical traetment can be documented and evaluated under my policy.
