Officer's narrative

Officer's narrative: On arrival at the intersection in Baytown, Texas, I observed a two-vehicle collision involving a sedan and an SUV. Driver 1 stated they were traveling straight through the intersection when the vehicle was struck on the driver side by Driver 2, who was turning left across the path of travel. Driver 2 stated they believed the intersection was clear when they began the turn and did not see the oncoming vehicle until impact. Both vehicles sustained front-end and side damage and were towed from the scene. No citations were issued at the time of the report, pending review of witness statements. A passenger in Driver 1's vehicle remained on scene. Driver 1 reported neck strain and stiffness and declined transport by EMS, stating they would seek medical evaluation later. Driver 2 reproted no injuries. Traffic signal was functioning normally, and weather and road surface were dry and clear at the time of the collision.
