Q: Thank you for taking the time to give this recorded statement. Please state your full name for the record.

A: I'd rather just use my initials for now, if that's okay.

Q: That's fine. Can you tell me where you were when the collision occurred?

A: I was driving westbound on the main road in League City, near the intersection with the shopping center entrance. It was late afternoon and traffic was moderate.

Q: Can you descirbe what happened just before the impact?

A: The car in front of me slowed down suddenly. I braked, but the other vehicle came over into my lane. We hit head-on, though it wasn't a hard hit. I think we were both going pretty slow.

Q: Did you have any warning that the other vehicle was crossing into your lane?

A: Not really. I saw it move over at the last second, and I tried to swerve, but there wasn't much room.

Q: How fast do you estimate you were traveling?

A: Maybe twenty-five miles an hour, maybe a little less. It was not a high-speed crash.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: Did you feel any injury at the scene?

A: I felt a jolt in my neck and shoulders, but I figured it would pass. Over the next day it got worse. I have a stiff neck, some soreness that radiates into my upper back, and it's hard to turn my head to the left.

Q: Have you sought medical treatment?

A: Yes, I saw my doctor and I'm doing some physical therapy. They diagonsed a neck strain.

Q: Is there anything else you'd like to add?

A: Only that I want to get back to normal. I'm cooperating fully, and I'll send over my medical records when you need them.

Q: Thank you. This concludes the statement.
