Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my full name on a recording, but you can use the claim reference.

Q: That's fine. Can you tell me where you were when the collision happened?

A: I was driving through the intersection in Houston, Texas, heading east on a two-lane road with a green light.

Q: What happened as you entered the intersection?

A: A pickup came from my right side and ran the red light. I saw it too late to brake. It hit the passenger side of my car.

Q: Were you able to stop or swerve at all?

A: I tapped the brakes, but there wasn't time. The impact pushed my car sideways.

Q: Did you hit anything else during the collision?

A: No, just the curb on the far corner after the car spun a little.

Q: Did you receive any medical attention?

A: Yes, an ambulance took me to the emergency room. They said I have a shoulder injury and gave me a sling.

Q: Which shoulder, and what symptoms are you experiencing now?

A: My left shoulder. It's sore, I have limited range of motion, and I've had trouble sleeping on that side.

Q: Have you seen a doctor since then?

A: Yes, I have an appointment with an orthopedist next week for a follow-up.

Q: Was anyone else in your vehicle?

A: No, I was alone.

Q: Is there anything else you'd like to add to your statement?

A: Only that I was following the tarffic laws and the other driver admitted to running the light at the scene.

Q: Thank you. This concludes the recorded statement.

A: Thank you.
