Description of the accident (claimant's words)

I was stopped at the red light on FM 518 in Pearland, Texas, waiting to turn left, when I felt a hard jolt from behind. My car was pushed forward into the intersection and my head snpaped back against the headrest before I could brace myself. The other vehicle did not appear to slow down before impact. I got out and spoke briefly with the other driver, and we exchanged insurance information. Police were called and an officer came to the scene to take a report. Afterward I felt stiffness and sharp pain in my neck, along with a dull ache across my lower back that worsened over the next day. I have since been seen by a medical provider who diagnosed me with a neck and back strain. I am submitting this statement to document the collision and my resulting injuries.
