Claim Notes

Claim number:	C-1214
Claimant:	Rodney Day
Adjuster:	Chelsea Hebert

2-1-23 - Claim received by phone from the insured driver following a rear-end collision at a signalized intersection. Insured reports the other vehicle struck the rear bumper while stopped at a red light. Both drivers exchanged information at the scene and a police report number was provided. Claimant reported neck stiffness at the scene and a wrist injury after the airbag deployed. Assigned for liability and injury review.

2-7-23 - Contacted the cliamant by phone to introduce myself and explain the claim process. Claimant confirmed she is not represented by an attorney and is handling the matter directly. Claimant describes wrist pain and limited grip in her right hand. She has been seen at an urgent care facility, where an X-ray was taken and a fracture of the wrist was diagnosed. Requested copies of all medical records and bills, and provided the authorization forms.

2-11-23 - Reviewed the police report. The responding officer noted the claimant's vehicle was stopped at the signal when the insured vehicle made cotnact at low speed. Officer cited the insured driver for following too closely. Photos from the scene show moderate rear damage to the claimant's vehicle and minor damage to the front of the insured vehicle. Liability appears clear, pending the insured's statement.

2-14-23 - Took a recorded statement from the insured driver. He confirmed he was distracted by a phone call and did not notice traffic slowing ahead. He stated he did not dispute the citation. Vehicle has been inspected at the body shop, and the repair estimate has been received and is under review. Advised the insured that the claimant has an injury claim and that the insured should report any contact from the claimant's side.

2-19-23 - Received the medical records from the claimant's provider. Diagnosis confirmed as a fracture of the distal radius, treated with a splint and referral to an orthopedic specialist. Follow-up appointment is scheduled. Claimant has not yet returned to work full time. Sent a letter to the claimant explaining the next steps, including the need for a final medical update before settlement can be evaluated. Diary set for follow-up in two weeks.

Recorded Statement

Claim number:	C-1214
Statement of:	Rodney Day
Taken by:	Chelsea Hebert
Date:	2-5-23

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather just keep it to the accident details, if that's okay.

Q: Understood. Can you tell me where you were when the collision happened?

A: I was driving on a main road in Houston, Texas, heading toward the freeway entrance. Traffic had slowed down ahead of me.

Q: What happened next?

A: I came to a stop behind a car at a red light. Then I felt a hard jolt from behind. My head snapped back and my car got pushed forward into the intersection.

Q: Did you see the vehicle that hit you before the impact?

A: No, I was looking at the light and my mirror was pointed at the car ahead. I didn't see it coming at all.

Q: Were you able to get out of your vehicle afterward?

A: Yes, but my right wrist hurt right away. I was holding the steering wheel with that hand when it happened, and the pain got worse over the next hour.

Q: Did you seek medical treatment?

A: Yes. I went to the emergency room that evening. They took X-rays and told me the wrist was fractured. I've been in a splint since then and I have a follow-up appointment with an orthopedic specialist.

Q: Were there any other injuries?

A: My neck was sore for a few days, but it has improved. Mostly it's the wrist that's keeping me from working and doing everyday tasks.

Q: Thank you. Is there anything you'd like to add to your statement?

A: No, I think that covers it. I'm willing to provide my medical records if you need them.

Q: Thank you for your time. This concludes the recorded statement.
