Claim Notes

Claim number:	C-1223
Claimant:	John Spencer
Adjuster:	Chelsea Hebert

2023-12-02 - Claim opened following a rear-end collision at a signalized intersection. Insured vehicle was stopped at the light when struck from behind by a third-party vehicle. Claimant reports pain in the right shoulder and neck since the impact. Claimant is not represented by an attorney. Recorded statement scheduled for the coming week; photos of both vehilces requested from the insured.

2023-12-10 - Recorded statement obtained from the claimant. Claimant states the impact was moderate, airbags did not deploy, and they were seated with the seatbelt fastened. Claimant describes ongoing right shoulder pain with limited overhead reach and difficulty sleeping on that side. Claimant has scheduled an appointment with a primary care provider and has not yet received imaging. Advised claimant that medical records and bills should be forwarded once available.

2023-12-19 - Police report received and reviewed. Report notes the third-party driver admitted to looking at a phone before the collision and was cited for following too closely. Liability appears clear in favor of the claimant. Vehicle damage estimate received from the body shop and is under review. Diary set to follow up on the claimant's medical treatment status.

2023-12-24 - Claimant called to report a physical therapy referral following an orthopedic evaluation. Claimant states the shoulder is improving slowly but still painful with lifting. Requested itemized medical bills and treatment notes via the authorization form, which was sent to the claimant by mail and email. Reminded claimant that they may wish to consult an attorney but that they are free to handle the claim directly. No legal representation has been reported to date.

2023-12-30 - Medical records received from the treating provider, including diagnosis of a right rotator cuff strain and a recommended course of physical therapy. Bills reviewed for reasonableness against the fee schedule. Claimant's vehicle repair is complete and the rental period has ended. Reserve reviewed and adjusted to reflect current medical and property exposure. File remains open pending completion of therapy and a final medical status update.

Recorded Statement

Claim number:	C-1223
Statement of:	John Spencer
Taken by:	Chelsea Hebert
Date:	2023-11-28

Q: Thanks for taking the time to speak with me today. This recorded statement is for claim purposes only. Do you understand and agree to be recorded?

A: Yes, I understand.

Q: Can you tell me where you were when the accident happened?

A: I was driving on Broadway in Pearland, Texas, heading east toward the intersection near the shopping center. Traffic had slowed down ahead of me.

Q: What happened next?

A: I came to a stop behind a car at the light. About a few seconds later, I felt a hard impact from behind. My head snapped forward and then back against the seat.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: Did you get out of your vehicle at the scene?

A: I got out briefly to check on my car, but I didn't feel steady. My neck and right shoulder were really sore, so I sat back down until the police arrived.

Q: Did you speak with the other driver?

A: Yes. He said he was looking at his phone and didn't see that I had stopped. He seemed apologetic.

Q: Have you sought medical treatment since the accident?

A: Yes, I went to an urgent care clinic that same day. They took X-rays and told me I had a strained shoulder and possible soft tissue damage. I've been doing physcial therapy twice a week since then.

Q: Are you still experiencing pain or limited movement?

A: Yes. Lifting anything overhead is hard, and I'm having trouble sleeping on my right side. My doctor said recovery could take several more weeks.

Q: Is there anything else you'd like to add to your statement?

A: No, I think I've covered everything. I just want my car repaired and my medical bills taken care of.

Q: Thank you. This concludes the recorded statement.

A: Thank you.
