Officer's narrative

Officer's narrative: On arrival at the scene, I observed two passenger vehicles in the right lane of nrothbound traffic on a dry, clear roadway in Pearland, Texas. Driver 1 stated that the vehicle ahead of them had slowed abruptly for traffic, and Driver 1 was unable to stop in time, resulting in a rear-end collision with Driver 2's vehicle. Driver 2 stated that they had stopped in the lane and were struck from behind. Damage was consistent with a low-speed impact to the rear of Driver 2's vehicle and the front of Driver 1's vehicle. A Passenger in Driver 2's vehicle was not injured. Driver 2 reported pain in the right shoulder and declined transport by EMS at the scene, though was advsied to seek medical evaluation. Both drivers were able to move their vehicles to the shoulder. No citations were issued at the time of the investigation, pedning review of statements. Photographs were taken of both vehicles and the roadway.
