Involved person:	Jeremy Chavez (driver)
Phone:	346-555-2409
Vehicle:	2019 Honda Civic
License plate:	8H-IRMR
Injuries reported:	wrist fracture
Investigating officer:	Officer Anthony Herrera, Badge 1027

Officer's narrative

On arrival, I observed a two-vehicle collision involving a sedan and a pickup truck in the eastbound lanes of a Pearland, Texas roadway. Driver 1, operating the sedan, stated that the pickup crossed into their lane while attempting to pass a slower vehicle. Driver 2, operating the pickup, stated that the sedan drifted toward the center line just before contact. Both vehicles sustained front-end damage consistent with a low-speed head-on impact, and both were towed from the scene. Airabgs did not deploy in either vehicle. A single Passenger was seated in the sedan's rear seat and was not visibly injured at the scene. Driver 1 reported pain in the left wrist and was transported by EMS for evaluation. Weather was clear and the road surface was dry. Based on the physical evidence and statements obtained, I have cited Driver 2 for failure to maintain a single lane. Photographs and measurements were taken and are attached to this report.
