Q: Thank you for agreeing to give this recorded statement. Before we begin, do you consent to being recorded?

A: Yes, I consent.

Q: Please state your full address for the record.

A: I'd rtaher not give my full address on the recording. I can give you the city, which is Baytown, Texas.

Q: That's fine. Can you describe what happened on the day of the accident?

A: I was driving on the main road heading toward the shopping center. The traffic was slow. A vehicle coming the other way crossed into my lane and we hit front to front. It wasn't a high-speed impact, but it was enough to jolt me forward and then back into the seat.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: Did the airbags deploy?

A: No, they did not. I remember the steering wheel jerking and my shoulder slamming against the belt.

Q: Where are you feeling injuries now?

A: My right shoulder is the main problem. It's sore when I lift my arm and I can't sleep on that side. I also have some stiffness in my neck, but the shoulder is worse.

Q: Have you seen a dotcor or received treatment?

A: Yes, I went to an urgent care clniic the same day and I'm scheduled for a follow-up with my regular physician next week. They mentioned possible physical therapy.

Q: Is there anything else you'd like to add?

A: Just that I'm trying to get back to work normally, and the pain is making that hard. I'd appreciate a prompt response on the claim.

Q: Thank you. This concludes the statement.
