Officer's narrative

Officer's Narrative: On arrival at the scene, I observed two passenger vehicles in the northbound lanes with heavy front-end damage consistent with a low-speed head-on collision. Driver 1 was seated in the operator's position of the first vehicle and stated that the other vehicle crossed into the lane of travel. Driver 2 stated that he was attempting to avoid a debris feild in his lane when his vehicle drifted left. Both vehicles were operable but required tow. Driver 1 reported pain in the right shoulder and was evaluated on scene by EMS, who advised transport for further evaluation. A Psasenger in Driver 1's vehicle reported no injury. Weather was clear and the roadway was dry. Based on statements and physical evidence, I issued a citation to Driver 2 for failure to maintain a single lane. Scene photographs were taken and retained for the case file.
