Claim Notes

Claim number:	C-1245
Claimant:	Darren Clay
Adjuster:	Jerry Hanson

January 9, 2024 - Claim opened following a report of a low-speed collision in a parking lot between the insured vehicle and a third-party vehicle. Insured reports the other driver backed into the insured's rear quarter panel while exiting a space. Initial photos requested. Police report not filed as no injuries were reported at the scene.

January 17, 2024 - Claimant contacted the office through counsel. Attorney letter of representation received and logged. All further communication to be directed to the attorney's office. Claimant reports a wrist injury sustained in the collision and states treatment is ongoing. Medical records and authorization forms requested through counsel.

January 23, 2024 - Medical documentation received from the claimant's provider. Diagnosis indicates a fratcure of the wrist, with immobilization and a follow-up consultation scheduled. Records reviewed and forwarded for medical bill review. Reserve adjusted to reflect bodily injury exposure. Counsel notified that the claim file is under review.

January 31, 2024 - Vehicle inspected at the repair facility. Damage to rear quarter panel, bumper cover, and tail lamp assembly confirmed and consistent with the reported loss. Repair estimate received and under review. Liability is being evaluated based on the parking lot surveillance footgae requested from the property owner, which has not yet been received.

February 4, 2024 - Follow-up call placed to claimant's counsel regarding outstanding medical records and the status of the wrist treatment. Counsel advised that a settlement demand will follow once the treatment course is complete. File remains open pending receipt of the demand package, the property footage, and the final repair invoice. Next diary review set for thirty days out.

Q: Thanks for taking the time to sepak with me today. This call is being recodred for claim purposes. Do you understand and agree to that?

A: Yes, I understand.

Q: Good. Can you tell me in your own words what happened at the parking lot?

A: I was backing out of a spot at the shopping center in Sugar Land. I checked my mirrors and didn't see anything, so I started slowly reversing. Then I felt a bump and heard a crunch on the driver's side.

Q: Did you see the other vehicle before the impact?

A: No. It came from the next row over, and it was behind a row of cars. I only saw it after we hit.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: What did you do after the collision?

A: I put the car in park and got out to look. The other driver was already out and we exchanged insurance information. I was pretty shaken up, and my right wrist started hurting pretty badly.

Q: Did you go to a doctor or an urgent care facility?

A: Yes, I went to an urgent care clinic that afternoon. They took X-rays and said I had a fracture in my wrist. They put me in a splint and refrered me to an orthopedic specialist.

Q: Have you had any follow-up treatment since then?

A: Yes, I've seen the orthopedist twice now. I'm supposed to keep the splint on and do physical therapy starting next week.

Q: Is there anything else you'd like to add about the accident?

A: No, I think that covers it. I just want to make sure my medical bills get taken care of.

Q: Understood. Thank you for your cooperation. We'll follow up with you soon.

A: Thank you.
