Claim number:	C-1247
Statement of:	Sarah Walker
Taken by:	Alison Sweeney
Date:	August 31, 2024

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my name on a recording, but you can use the claim reference.

Q: That's fine. Can you tell me where you were when the accident happened?

A: I was stopped at a red light on the main road in League City, near the shopping center.

Q: What was the first thing you noticed?

A: A loud bang, then my head snapped forward and back. The car behind me had hit me from the rear.

Q: Did you see the other vehicle coming before impact?

A: No. I was looking at the light. I felt the jolt and that was it.

Q: Were you able to get out of your vehicle?

A: Yes, but my neck was stiff right away. I sat in the car for a few minutes before I got out.

Q: Did you go to a doctor or an emergency room?

A: I went to an urgent care clinic the same afternoon. They said it looked like whiplash and gave me a neck brace.

Q: Are you still having symptoms?

A: Yes. My neck hurts when I turn my head, and I get headaches in the back of my head most days.

Q: Have you missed any work because of the injury?

A: I missed two days and I've been working shorter sihfts since then because I can't sit at the desk for long.

Q: Did you have any neck or back problems before this accident?

A: I had some stiffness from sleeping wrong now and then, but nothing that stopped me from working or driving.

Q: Is there anything else you'd like to add to your statement?

A: Only that I've been following my doctor's instructions and I'm going to physical therapy twice a week.

Q: Thank you. This concludes the recorded statement.

A: Okay, thank you.
