Officer's narrative

Officer's narrative: On arrival at the intersection in Conroe, Texas, I observed a two-vehicle collision involving a sedan and an SUV. Driver 1 was operating the sedan westbound and stated the vehicle had entered the intersection on a green signal. Driver 2 was operating the SUV eastbound and was turning left across the path of oncoming traffic when the front of the SUV struck the driver side of the sedan. A Passenger riding in the SUV was seated in the front passenger position. Driver 1 reported neck and upper back pain and stated that Driver 1 had experienced whiplash-type symptoms immediately after impact. Driver 1 was evaluated on scene and transported by EMS for further examination. Driver 2 stated the turn was made on a yellow arrow and that Driver 2 did not see the sedan before the impact. Both vehicles sustained front-end and side damage and were towed from the scene. No citations were issued at the time of this report pending review of witness statements.
